

LIST OF FIGURES

| Chapter 1 | Watershed Description | Volume and Page |
|------------------|--|------------------------|
| Figure 1-1 | Context..... | Volume II page 1 |
| Figure 1-2 | Base Map..... | Volume II page 2 |
| Figure 1-3a | Study Areas..... | Volume II page 3 |
| Figure 1-3b | Major Watersheds and Subwatersheds..... | Volume II page 4 |
| Figure 1-4 | General Description..... | Volume II page 5 |
| Figure 1-5a | Soils (Overview)..... | Volume II page 6 |
| Figure 1-5b | Soils (Detailed)..... | Volume II page 7 |
| Figures 1-6 | MNDM Bedrock Geology..... | Volume II page 8 |
| Figure 1-7 | Surficial Geology..... | Volume II page 9 |
| Figure 1-8 | Geological Time Scale and Geological Events in the CRCA..... | Volume I page 8 |
| Figure 1-9 | Schematic Geological Cross-section of the CRCA..... | Volume I page 9 |
| Figure 1-10a | Champlain Sea from Chapman and Putnam (1984)..... | Volume I page 13 |
| Figure 1-10b | Lake Iroquois from Chapman and Putnam (1984)..... | Volume I page 13 |
| Figure 1-11 | Topography..... | Volume II page 10 |
| Figure 1-12 | Physiography..... | Volume II page 11 |
| Figure 1-13 | Overburden Thickness..... | Volume II page 12 |
| Figure 1-14 | Land Use..... | Volume II page 13 |
| Figure 1-15 | Soil Type by Land Cover..... | Volume II page 14 |
| Figure 1-16a | Cataraqui Study Area..... | Volume II page 15 |
| Figure 1-16b | Cataraqui System Schematic..... | Volume I page 31 |
| Figure 1-16c | Historical Cataraqui River and Gananoque River Watersheds..... | Volume I page 32 |
| Figure 1-16 d | Rideau Canal Profile..... | Volume I page 33 |
| Figure 1-16e | CRCA Lakes Profiles..... | Volume I page 34 |
| Figure 1-17a | Gananoque Study Area..... | Volume II page 16 |
| Figure 1-17b: | Gananoque System Schematic..... | Volume I page 36 |
| Figure 1-18 | Lake Ontario Study Area..... | Volume II page 17 |
| Figure 1-19 | St. Lawrence River Study Area..... | Volume II page 18 |
| Figure 1-20 | Tri-Islands Study Area..... | Volume II page 19 |
| Figure 1-21 | Stream Gauge Locations..... | Volume II page 20 |
| Figure 1-22 | Water Control Structure Locations..... | Volume II page 21 |
