## Western Municipalities

---

### Luke MacDonald, Loyalist

Luke MacDonald represents the western municipalities (Loyalist Township and Greater Napanee) within the Cataraqui area as their representative on the Committee. Working for Loyalist Township as the Engineering & Environment Manager he is responsible for overseeing major capital projects including on the two water treatment plants within the Township, as well as for engineering development approvals, and the Township Climate Action Plan.

Luke graduated from Queen's University with a degree in Civil Engineering and previously worked for the City of Kingston as well as for a J.L. Richards & Associates in Kingston. In his spare time, he can typically be found tending to his vegetable gardens and enjoys going camping whenever he can slip away for a weekend. He previously acted as the Board Secretary for Sustainable Kingston, and currently sits on the Board of Directors for the Kingston Humane Society.
