

Community Sector – Lake Associations

Mark Schjerning, Sydenham Lake

Mark moved from Kingston to a home on Sydenham Lake in 1996 where he and his wife Kim have raised their two children.

He recently retired after serving almost 40 years as an advanced care paramedic, Deputy Chief and Chief of paramedic services in Eastern Ontario and represented these services as an Ontario Association of Paramedic Chiefs board member.

Mark remains active with the Sydenham Lake Association where he previously served six years as president. He was very involved in the development of their Lake Plan comprised of the State of the Lake Report and Lake Capacity Study.

He has been a member of the South Frontenac Township Police Services Board and was a municipal councillor representing the Loughborough District.

Mark enjoys the outdoors and being out on the water.
